PETITION UNDER 37 C. F. R. 61.182

Attention: Brian Tung

Sir:

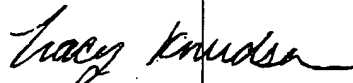

This petition is submitted in response to the August 7, 2001 dismissal of a request to change the name of the Petitioner. The Petitioner, Tracy Knudsen, hereby petitions

to change her name in this application. This application is the U. S. national phase of a Patent Cooperation Treaty application in which the Petitioner was identified as Tracy L. Tetzlaff. Subsequent to the filing of the international phase of this application, but before a signed declaration was submitted in the U. S. national phase, the Petitioner married and took her husband's surname.

Petitioner further declares that all statements made herein of her own knowledge are true and that all statements made on information and belief are believed to be true, and that such statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both (18 U. S. C. 1001) and may jeopardize the validity of the application or any patent issuing thereon.

Since Petitioner has already submitted a declaration signed by her as Tracy Knudsen, all that remains to complete all of the filing formalities associated with this application is for this petition to be granted. Such action is respectfully requested.

Respectfully submitted,

Tracy Knudsen
